Re: Choir Members:

Miss Ruth Pennington,
231 Codwise Avenue,
New Brunswick, N.J.

Miss Pennington is at present employed as a school teacher at Bordentown, N.J. and visits her home at the above address over week ends.

I had a talk with her mother, and she requested that I see her daughter while she is at home and not visit her at Bordentown. She informed me that her daughter had made certain engagements for this week end which would make it impossible for her to see me. However, she said if I would 'phone her during the coming week, she would arrange matters so I could meet her next Friday evening.

She says her daughter knows nothing at all which would help in any way, but that if I talked with her, she would like to be present. I informed her that I would like to meet the girl as I had instructions to see her.

Mrs. Pennington expressed herself as being very friendly to Mrs. Hall's interests.

Respectfully submitted:
